

SABETHA APOSTOLIC CHRISTIAN FELLOWSHIP CENTER

STATEMENT OF POLICY

The use of our Sabetha Apostolic Christian Fellowship Center will be limited to wholesome, Christian-like activities and functions compatible with sound Biblical teachings. All our activities will be properly chaperoned and conducted in a manner honorable unto God.

The operation of our Fellowship Center will be conducted by a committee that will uphold our church doctrine and will show both a desire to help and an interest in the Center's activities. This committee will be elected from the Sabetha Apostolic Christian Church to help coordinate the various activities with other church functions.

WHO MAY USE THE FELLOWSHIP CENTER

Anyone directly connected (by evidence of their attendance) to our Apostolic Christian Churches, by approval of the committee, may use our Fellowship Center. If there is any question, it should be cleared with the elder or elders involved.

RESERVATIONS

First Priority – Functions officially sponsored by the local Apostolic Christian Churches or Sunday Schools and weddings or wedding receptions involving one or both parties (or their parents) who regularly attend these churches. Reservations for these categories will be honored on a first come, first served basis.

Second Priority – All other functions, including weddings and wedding receptions where neither of the parties (or their parents) regularly attend the local Apostolic Christian Churches but who regularly attend another Apostolic Christian Church. Reservations for these categories will be accepted at any time on a tentative basis, to be confirmed 60 days before the desired date if there are no requests in the meantime for uses given “first priority” as described above.

HOUSEKEEPING BY PARTIES USING THE CENTER

1. While the committee will supervise set-ups for various activities if desired, the party using the center is responsible for providing the manpower to perform all labor involved.
2. CLEANLINESS REFLECTS GODLINESS. Clean-up is expected with reasonable tidiness maintained.
3. Restore the building to its former condition at the earliest feasible time following the function. Trash should be removed on the day of use of the center.
4. Preserve and protect the existing facility.

MAINTENANCE AND EXPENDITURES OF THE FELLOWSHIP CENTER

Maintenance provisions and disbursements will be directed by the Committee, which will be funded by donations. Memorial contributions may be made in memory of a loved one.
